- For kitchen floors, processing areas and concrete floors
- Non-flammable
- Low-foaming
- Cuts through tough soils

CARE FOR WORK ENVIRONMENTS®

# LT-77

## HEAVY DUTY DEGREASER

### INDUSTRIAL STRENGTH

LT-77 is a heavy duty kitchen degreaser designed to quickly emulsify the harsh greasy soils found in a kitchen environment. It is truly a multi-purpose degreaser that removes the toughest oils, grease, carbon, and wax on a variety of surfaces.

### FAST ACTING

This butyl-based, alkaline degreaser is low-foaming, making it an ideal product to clean greasy areas, stainless steel walls and loading dock entrances quickly. The power of LT-77 melts away stubborn, caked-on grease returning your equipment to a like-new state.

### APPLICATIONS

Can be used on:

- Quarry tile
- Concrete floors
- Stainless steel walls
- Walkways
- Food processing areas
- Loading docks
- Dry storage shelves
- Countertops

### DIRECTIONS FOR USE:

Dilute 4 ounces of LT-77 with 1 gallon of water. Apply with spray bottle, mop, or automatic scrubber. Allow to soak, if possible, to penetrate and dissolve the grime. Rinse with clean water.

### TECHNICAL DATA:

**APPEARANCE:** clear yellow/green liquid

**ODOR:** none

**WEIGHT:** 8.8 lbs/gal

**pH (CONCENTRATE):** > 13.0

**FREEZE/THAW:** stable

**AMMONIA CONTENT:** none

**RINSABILITY:** excellent – complete with water
